SECTION 3: FULL-TIME TEACHING FACULTY

3.1 GENERAL DESCRIPTION

Full-time Teaching Faculty (FTF) members are those whose exclusive services are contracted by the College on a full-time basis.

3.1.1 Teaching. This is defined as the facilitation of learning, within and beyond the confines of a classroom, including the conduct of academic advising and other activities directed at facilitating learning on the part of the students. Faculty members are expected to apply learner-centered practices in addressing learners’ diversity, planning for instruction, managing the classroom and the learning experience, teaching in various relevant contexts, and in monitoring and evaluating student learning.

3.1.2 College service. This constitutes involvement in School, Center, and College programs and activities in various capacities (e.g., participant, formulator, implementor).

3.1.3 Professional development. This involves the pursuit of specialization in a given field of study or discipline; through enrollment in and completion of relevant advanced studies/training programs, attendance in workshops prescribed by the College/School (CLCIR Programs), and membership in professional organizations.

3.1.4 Research. Faculty members are expected to engage in research projects, chiefly of the applied type, that bring about greater learner-centeredness (e.g., development of learner-centered instructional materials and learning strategies) and/or those that inquire into and/or develop programs, products or practices in relevant sectors, industries, or professions.

3.1.5 Community service/extension. In line with the core function of a Catholic higher educational institution, full-time faculty members are expected to participate in various community-based, civic, spiritual and larger professional organizations, all aimed at contributing to an improvement of the overall quality of life of Filipinos.

3.2 WORKING CONDITIONS

3.2.1 Residency and Prohibition Against Outside Employment

3.2.1.1 FTF are required to render forty (40) hours per week in academic pursuits comprising any or all of the functions abovementioned. Faculty members are required to adhere to the schedule of activities indicated in the residency form submitted to their immediate supervisors. In addition, FTF are also required to report for duty during the week preceding the first school day of the school year, for as many days as required but not exceeding five (5) working days.

3.2.1.2 Faculty members are required to provide an hour of student consultation per week for every three (3)-unit teaching load.

3.2.1.3 Faculty members may apply for a reduction, for a maximum of ten (10) hours, of their residency hours for purposes of engaging in the limited
practice of their profession on a consultancy basis. Faculty members with consultancy work are not allowed to carry any teaching overload. The Chair and the School Dean/Center Director endorses the application for consultancy to the Vice Chancellor for Academics (VCA) for approval. The application must be submitted prior to the term when the consultancy arrangement takes effect. FTF who are enrolled in a College-sponsored graduate program are not allowed the reduction in residency for consultancy work.

3.2.1.4 As the College encourages the pursuit of relevant advanced degrees, faculty members are allowed to perform graduate studies-related work within their residency hours. The number of hours that may be devoted to graduate work is twice the number of units enrolled in by the faculty member, provided the total does not exceed 12 hours.

3.2.1.5 During the term of the employment contract of a FTF member, he/she may not be employed or engaged, directly or indirectly, whether on a part-time or full-time basis, in any other institution of learning or other entity, unless specifically permitted in writing by the VCA. Violation of this prohibition shall constitute valid cause for the immediate dismissal of the FTF member concerned.

3.2.1.6 FTF members are not allowed to teach in any other institution, except when such is governed by a Memorandum of Agreement (MOA) between the College and the other institution.

3.2.2 Teaching Load and Assignment

3.2.2.1 The regular teaching load of full-time faculty members is eighteen (18) units, preferably spread throughout the week. The program to which the FTF is assigned shall prepare the teaching load. The tentative load should be given two (2) weeks before the end of the preceding trimester to afford faculty members time to prepare for the courses to be handled.

3.2.2.2 To allow FTF to facilitate learning effectively, their teaching load shall be limited to three (3) class preparations in regular classes. Any load in excess of the above requires the approval of the VCA, based on the satisfaction of all of the following conditions:

3.2.2.2.1 The additional class preparation is related to the faculty member’s field of specialization;

3.2.2.2.2 The course that requires additional preparation is not offered regularly;

3.2.2.2.3 The faculty member concerned had obtained a very satisfactory performance evaluation rating in the last school year;

---

1 A consultancy is an engagement wherein an external party taps a faculty member for his/her professional expertise. Such arrangement should be formalized (meaning, the external party must have put in writing the Terms of Reference [TOR] of the engagement). Furthermore, the consultancy engagement may or may not involve a fee.
3.2.2.4 The additional class preparation directly results from the course/s previously taught by the faculty member, for which he/she obtained an effective rating for learner-centered instruction; or

3.2.2.5 Other meritorious reasons not listed above.

3.2.2.3 As a general rule, overloading is strongly discouraged. However, as per need of the program and in exceptionally meritorious cases, FTF members may carry an additional 3-unit credit bearing load (e.g., administrative assignment or teaching load) or 2 non-credit bearing load (e.g., special class), subject to the following conditions:

3.2.2.3.1 The faculty member concerned had obtained a Very Satisfactory performance evaluation rating in the last three (3) terms;

3.2.2.3.2 The additional load is not a new preparation nor would the faculty member concerned carry a load exceeding the three (3) class preparation limit previously stated;

3.2.2.3.3 The faculty is not on extension in a College-funded research project, not enrolled in a graduate program supported by the College’s Professional Development Grant, no de-loading support for thesis/dissertation writing as stipulated in the College’s Faculty Development Program, or approved external professional activity (e.g., consultancy);

3.2.2.3.4 Consistent compliance of concerned faculty member with school regulations and other administrative requirements (e.g., submission of grades on time, attendance and punctuality record).

3.2.2.4 The overload period is embedded in the 40 hour weekly residency requirement for FTF.

3.2.2.5 The load of faculty members who teach laboratory and other similar subjects will be based on two (2) lecture units for every three (3) hours of the class schedule.²

3.2.2.6 Faculty members completing their graduate thesis/dissertation requirements are entitled to the appropriate load reduction scheme as stipulated in the Professional Development Grant Program of the College.

3.2.2.7 The teaching load of FTF members may be reduced, as recommended by the Chair, the Dean and the VCA, and approved by the President, for administrative assignments or any other extremely meritorious reason.

3.2.2.8 FTF members who are fully de-loaded (18 units) as Administrators may be given a maximum teaching load of three (3) units per term. This may not be availed in conjunction with other arrangements such as engaging in other external professional activities among others.

² The faculty member’s remuneration schedule (usually 2/3) is the basis for computing deductions for classes that are not made up.
3.2.3 Compensation Schedule

FTF members shall be paid on the 10th and 25th days of every month, unless for some valid reason, and under very exceptional circumstances, a particular pay date is missed and, hence, moved.

[Cross Reference: Policy on Class Suspensions and Make-up Classes]

3.3 PROBATION

3.3.1 Definition of Probation

A probationary FTF member is one who has not been conferred permanent status by the College. A probationary FTF is expected to:

3.3.1.1 Consider the period of his/her employment as strictly temporary, the said period to end on the expiry date of the contract, in which case the employer-employee relationship shall automatically be considered terminated; and

3.3.1.2 Finish the term of his/her appointment, unless the College decides otherwise, in which case the College pays him/her all the emoluments called for under his/her contract. If, however, termination before expiry is effected for cause, the emoluments corresponding to the unserved portion of the contract shall not be paid.

3.3.2 Duration of Probation

The initial period of appointment for FTF is one (1) trimester. Unless the FTF member is informed of non-renewal thirty (30) calendar days before the start of the next term, the contract is automatically extended up to the end of the third (3rd) trimester of service. 3.3.4.2 In case of an unfavorable decision, the faculty member concerned may appeal his/her case within two (2) working days from receipt/transmittal of the Board’s recommendation. The appeal should be addressed to the VCA. The decision of the VCA is final.
3.4 PERMANENCY (See Appendix D: Permanency Flowchart)

FTF (in both the academic and professional tracks) who have had at least one (1) year of residence from their last promotion/reclassification may be recommended for promotion/reclassification subject to the following general criteria:

3.7.2.1 Effective learner-centered instruction, as indicated by Very Satisfactory ratings given by students, peers, Chairs and, if necessary, the Dean;

3.7.2.5 Values and attitudes reflecting the College’s thrust of developing individuals who work cooperatively with each other and are tolerant and respectful of the diversity that is intrinsic in a learning community; and

3.7.2.6 Compliance with College/School regulations, as reflected by records of attendance, punctuality and submission of requirements (e.g., grades and other official records) within the prescribed deadlines, among others.

3.7.3 Suspension of Promotion/Reclassification Due to Offenses

3.7.3.1 A faculty member who receives a penalty of written reprimand shall be ineligible for promotion for one year counting from the date the decision has become final and executory.

3.7.3.2 A penalty of suspension shall make the respondent faculty ineligible for promotion for the next two (2) years counting from the time the suspension has been fully served.

3.7.4 Procedures for Promotion/Reclassification

3.7.4.1 Prior to the end of his/her year of residence from his/her last promotion/reclassification, the faculty member must accomplish a Faculty Update form indicating his/her accomplishments and activities in the period
under review. The Form is submitted to the Chair of the program to which the faculty member belongs and to the Office of the Vice Chancellor for Academics.

3.7.4.2 The Chair of the program reviews the performance of the faculty member to be promoted/reclassified, employing the summary evaluation form for promotion/reclassification and informs the faculty member concerned of his/her recommendation. The Chair endorses the faculty member for promotion/reclassification to the Dean of the School.

3.7.4.3 In case the faculty member is not recommended by the Chair, he/she may submit his/her credentials to the Dean, who then presents the credentials for consideration to the Promotion/Reclassification Board.

3.7.4.4 For FTF classified under Categories 1 and 2 (Academic Track: Instructor 1 to Assistant Professor 7; Professional Track: Fulltime Professional Faculty 1 to Fulltime Senior Professional Faculty 4):

3.7.4.4.1 All recommendations must be submitted to the Board four (4) weeks before the end of the term.

3.7.4.4.2 The Promotion/Reclassification Board shall be as follows:
    - School Dean, presiding officer
    - Program Chairperson
    - Two (2) Senior Faculty members, preferably from the same Program/School
    - Faculty Association Representative
    No member of the Promotion/Reclassification Board shall have two (2) designations.

3.7.4.5 For FTF classified under Categories 3 to 5 (Academic Track: Associate Professor 1 to Full Professor 12; Professional Track: Fulltime Senior Professional Faculty 5 to 16):

3.7.4.5.1 All recommendations must be submitted to the Board two (2) weeks before the end of the term.

3.7.4.5.2 The Promotion/Reclassification Board shall be as follows:
    - VCA, presiding officer
    - Program Chairperson
    - Two (2) Senior Faculty members, preferably from the same Program/School
    - Faculty Association Representative
    No member of the Promotion/Reclassification Board shall have two (2) designations.

3.7.4.6 Decisions of the Board are generally by consensus. However, in cases where the Board is divided, voting by secret balloting is prescribed.

3.7.4.7 The Presiding Officer prepares the decision sheet in accordance with the recommendation of the Board. The immediate superior relays the recommendation of the Board to the faculty member concerned.
3.7.4.8 In case of an unfavorable decision, the faculty member concerned may appeal his/her case within two (2) working days from receipt/transmittal of the Board’s recommendation. The appeal should be addressed to the Board through the Presiding Officer.

3.7.4.9 The Board’s recommendation for promotion is submitted to the VCA for approval.

3.7.5 Conditions for 2-step Promotion/Reclassification

3.7.5.1 FTF members may apply for two-step promotion.

3.7.5.2 The FTF member should satisfy the requirements specified in the rank for the first step promotion. For example, a FTF member with the rank of Full Professor 1 is classified under Category 3. The output required for promotion is a paper published in a refereed non-ISI international academic or professional journal.

3.7.5.3 To qualify for the second-step promotion, the FTF has to submit an output specified in the next higher rank. For example, the faculty with a rank of Full Professor 1 should submit an output under Category 4, which is a paper published in a refereed international ISI academic journal.

3.7.5.4 For FTF under Category 5 (i.e., Full Professor 9 to 12, Fulltime Senior Professional Faculty 14 to 16), faculty members should submit two (2) outputs required within the category to qualify for a two-step promotion.

3.7.5.5 Aside from the output requirement, the FTF should also comply with the minimum requirement of each rank. For example, if a faculty carries a rank of Assistant Professor 6 and applies for a two-step promotion, movement to the rank of Associate Professor shall not be allowed since the faculty member does not have the minimum educational qualification (i.e., relevant doctorate degree) required for the rank.

3.8 RE-RANKING

3.8.1 Definition of Re-ranking

Re-ranking pertains to the elevation to a higher rank by a faculty member who has completed the required or relevant advanced degree, or secured an equally major accomplishment such as Magsaysay Awards, Pulitzer Prize, National Artist, and satisfies all the other requirements for entry into the next rank

[Cross Reference: Policy and Procedures for Re-ranking]

3.8.2 Procedures for Re-ranking

3.8.2.1 Faculty members who complete their master’s/doctorate degree and satisfy the requirement for entry into the next rank may be re-ranked in the term immediately following the completion of the advanced degree.

3.8.2.2 The faculty member should submit supporting documents (i.e., Diploma, Transcript of Records) to the Program Chairperson.
3.8.2.3 The Program Chairperson submits a recommendation to the re-ranking Board.

3.8.2.4 If the target rank is Associate Professor 1/Full-time Senior Professional Faculty 1 or higher, the Re-ranking Board is composed of the following:
   • VCA, presiding officer
   • School Dean
   • Program Chairperson
   • Senior Faculty Member, preferably from the same Program/School
   • Faculty Association Representative

3.8.2.5 If the target rank is lower than Associate Professor 1/Full-time Senior Professional Faculty 1, the Re-ranking Board is composed of the following:
   • School Dean, presiding officer
   • Program Chairperson
   • Senior Faculty Member, preferably from the same Program/School
   • Faculty Association Representative

3.8.2.6 Decisions of the Board are generally by consensus. However, in cases where the Board is divided, voting by secret balloting is prescribed.

3.8.2.7 The Presiding Officer prepares the decision sheet in accordance with the recommendation of the Board. The immediate superior relays the recommendation of the Board to the faculty member concerned.

3.8.2.8 In case of an unfavorable decision, the faculty member concerned may appeal his/her case within two (2) working days from receipt/transmittal of the Board’s recommendation. The appeal should be addressed to the Board through the Presiding Officer.

3.8.2.9 The Board’s recommendation for promotion is submitted to the VCA for approval.
